

Are you affected by physical and/or emotional violence at home?

Do you observe situations of domestic violence in your neighbourhood and your environment?

Would you like to find out how you can help yourself and others?

Then come to the women's breakfast in Kleefeld at Pia's Bakehouse, Kirchröder Straße 94, 30625 Hanover (right next to ALDI, bus stop 4/5 Kantplatz)

The women's breakfast takes place on two dates:

27.08.2024, 10 a.m.

29.10.2024, 10 a.m.

The aim of the Buchholz-Kleefeld Prevention Council is to encourage women to seek help in cases of domestic violence. Together with various cooperation partners, the Prevention Council invites women to an informative breakfast (1/2 bread roll and a drink).

After the information from the Hanover Intervention Program (HAIP) network, there will be time for questions and discussion.

Registration is not required; if there is no room (the café is full) we will have to refer you to our next event. We ask for your understanding. Do you have any questions?
