

<Hannover>

Since the early hours of the morning we have been witnessing a war of aggression against Ukraine. This affects us all very much, also in @hannover. That is why we, as mayors of Mayors for Peace, stand with the Ukrainians and with the people who want peace (BO)

<Wuppertal>

#Mayor for #peace: The flag of #Wuppertal also flies at the #Wuppertal town hall @Mayors4Peace. "We are taking part in this campaign as a sign of our common desire for peace and cohesion in Europe," said the mayor @UweSchneidewind

<Münster>

Another sign from Münster for a peaceful world: in addition to the European flag, the flag of the "Mayors for Peace" network was hoisted at the Stadtweinhaus. #Ukraine #peace

< Dortmund >

Flags for peace: The Mayors for #Peace flag and that of the #EU were hoisted in front of the #Dortmund town hall. They stand for the desire for peace and cohesion in #Europe and worldwide.

As a member of the Alliance of Mayors for Peace and against the background of the current situation in #Ukraine, Duisburg is also hoisting the Mayors for #Peace flag in front of the town hall as a sign of our common desire for #peace and cohesion in Europe.
